Mr. Terry Brandt
Museum President
Western Antique Aeroplane & Automobile Museum
1600 Air Museum Road
Hood River, OR 97031

Dear Terry,

On behalf of the three associations involved in our recent **Ambush In Hood River - A Tribute to The Flying Tigers**, I want to personally thank you, along with acknowledging your staff and museum volunteers, for providing such a wonderful experience for our group yesterday. All 103 members who visited WAAM and were able to meet and hear you speak at lunch were in awe of what you've been able to accomplish in a short 14 years.

As you know we started a fund-raising drive that morning to provide a donation to the museum that would allow us to put our name on the dedicated wall for such efforts. I am very pleased to report that we were able to collect \$1,736 in cash and checks. I will bring this over tomorrow before we leave town and work with Stephanie on this once she's back from vacation.

The officers listed at left and those from the other two associations below wish you and the other board members all the best in the upcoming years and promise to spread the word to others about the unique experience that WAAM has to offer visitors.

Respectfully,

John Dickson
